Upgrade to Colourful Trays

Century Fun Trays are made for intensive use. Scratch, stain, chemical and break resistant. Century Fun Tray series offers a choice of trendy colors and patterns on the background of a white tray or the ability to choose your own color to match your trays to complement your restaurant decor.

Reinforced polyester corners provide superior corner and edge protection against impact.

Stacking lugs keep trays stacked securely in place and ensure proper air flow.

Innovative low profile and low corner design increases space utilization of tray surface and customer comfort while eating.
