CraftTM NEW RANGE

Craft is inspired by hand-crafted, simple country wares made by generations of potters over hundreds of years.

Craft White embodies a contemporary expression of Heritage inspired, authentic, hand decorated ware.

A pure white glaze is individually hand applied, leaving subtle tell-tale signs of the artistry of the craftsman. Reactive firing effects enrich the surface with texture and contrast beautifully with the pristine whiteness of the underlying glaze.

Craft White is, at once, contemporary and timeless, traditional and edgy.
